OFFERING

Paragon Real Estate Advisors is pleased to announce for sale the Castlemonte Apartments. Built in 1988, the Castlemonte is being offered to the market for the first time. The Castlemonte is well located just north of downtown Burien and on the Rapid Ride bus line. The buildings are located on an oversized 13,350 square foot lot currently zoned RM-24 with a proposed upzone to Mixed Use Low allowing for myriad of redevelopment opportunities.

The Castlemonte is comprised of a seven unit apartment building and a separate 2 bedroom single-family home. The apartment building features a large 2 bedroom, 2 bath penthouse unit, with a wrap-around deck for the resident's enjoyment. There are 6 additional spacious 2- bedroom 1-bath units and a studio unit. Several units have territorial views as well as views of Mount Rainer. The property offers ample parking and mature landscaping. The building has been well maintained with tasteful updates on turnovers. A new roof was installed in 2021.

The Castlemonte offers an investor the opportunity to acquire a well-located, easy to manage property with immediate income upside and potential to add value. New ownership can increase rents to market and manage as-is and/or add further value through a renovation and repositioning plan for an even greater return.
