

OFFERING

Paragon Real Estate Advisors is pleased to announce the exclusive sale of the Six Fully Permitted Single Family Homes. All the diligence has been completed and the permits are ready for a developer to bring this thoughtfully designed gated community to life! This will be a beautiful community set off of a low-traffic, quiet street in the sought after Rainier Beach neighborhood. The permitted homes range in size from 2,846-3,573 square feet with an average lot size of 8,154 square feet. The already generous lot sizes will further benefit from the adjacent Chief Sealth Trail and its open landscape which expands the feel of the size of the lots. The platting and permitting process took three years due to its thoughtful design as it was intended for the owners personal use. Life changed for the seller and the community will now be an opportunity for a developer ready for their next great project.

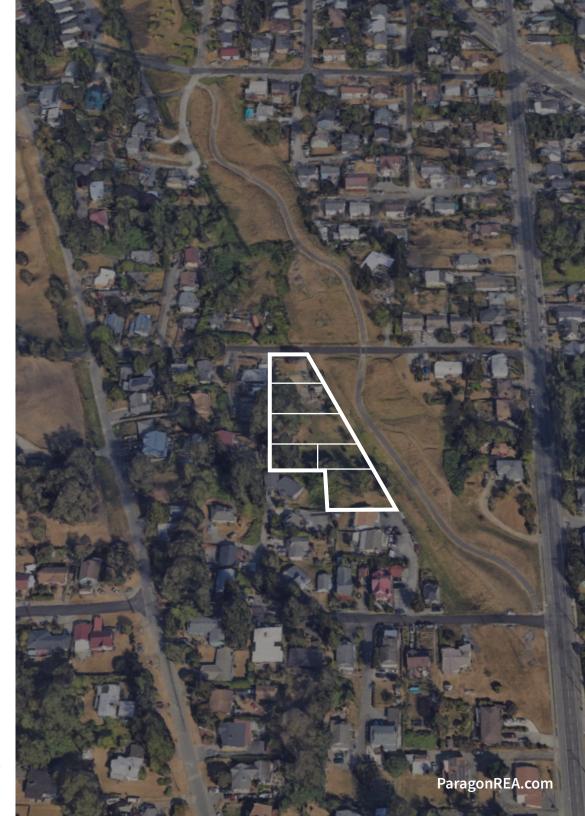

Great location with close proximity to the Rainier Light Rail Station, shops, grocery stores, parks and Lake Washington.
