OFFERING

Paragon Real Estate Advisors is pleased to announce the exclusive listing of the Kenmore Fourplex, a unique investment opportunity nestled in the quiet suburbs of Kenmore. This property features a unit mix of three 2-bedroom, 1-bathroom units each 850 square feet, and one 620-square-foot 1-bedroom, 1-bathroom unit. With three units having recently undergone some updates and the fourth well-maintained by a long-term tenant, the property is in move-in ready condition. The current rents are approximately 15% below market rates, presenting an attractive value-add potential through operational improvements, including implementing a utility billback system.

The building systems include Zinsco panels, copper plumbing (Buyer to verify), and 4/5 water tanks are 2018 or newer. Each unit offers residents private outdoor spaces with decks or patios against a forest backdrop. There are seven parking spaces in total with four carports and three open stalls. Two of the units are on month-to-month leases and the other two have leases expiring towards the end of the year. This fourplex is part of a homeowners association with the surrounding properties of similar size. The HOA is operated relatively passively with nominal annual dues of \$515 which helps maintain some of the landscaping and roadwork.

Located minutes from Lake Washington and a short drive from downtown Kenmore, the property offers easy access to a variety of retail, dining, and entertainment options, making it an attractive home for tenants seeking a blend of suburban tranquility and urban convenience. This property represents a compelling opportunity for investors looking to capitalize on below-market rents and operational efficiencies in a highly sought-after location.
