OFFERING

Paragon Real Estate Advisors is pleased to present a rare opportunity to acquire the Bellevue Fourplex, a well-maintained 1969-built investment property located at 16 147th Ave SE in one of the Eastside's most desirable submarkets. **Seller Financing is available for qualified buyers, with terms of 25% down, 5-year term, and 5% interest-only payments.**

This four-unit asset offers investors the opportunity to own a multifamily property in a tightly held Bellevue location where inventory remains extremely limited. The Bellevue Fourplex consists of four spacious two-bedroom, one-bathroom units averaging 1,038 square feet each, with a total net rentable area of 4,150 square feet on an 8,178 square foot lot. Each unit features in-unit washers and dryers, double-pane vinyl windows, and an attached garage, with tenants responsible for all utilities.

The property has been meticulously maintained, including an approximately eight-year-old TPO membrane roof. Current rents average \$2,168 per unit, while market rents are \$2,500 per unit, presenting a new owner with immediate rental upside through light interior renovations.

The property benefits from close proximity to Kelsey Creek Center, a well-established neighborhood retail hub that provides convenient access to everyday essentials. Anchored by a mix of grocery, dining, and service-oriented tenants, the center enhances day-to-day livability and serves as a strong amenity for residents, supporting long-term tenant demand and overall appeal.

Ideally located just minutes from Downtown Bellevue, T-Mobile headquarters, Microsoft's Redmond campus, and with quick access to I-90 and I-405, the Bellevue Fourplex offers a compelling combination of location, in-place income, and rental upside in a market defined by limited supply and strong tenant demand.
