EXECUTIVE SUMMARY

OFFERING

Paragon Real Estate Advisors is pleased to present the exclusive offering of the Crawford House, a fully renovated 11-unit multifamily investment opportunity at 1404 25th Avenue in Seattle's Central District. The property pairs a modern, low-maintenance exterior and updated interiors with a highly walkable, close-in location. It offers investors a turnkey asset with stable in-place income and long-term upside in one of Seattle's most transformed urban neighborhoods.

The Crawford House consists of one studio and ten one-bedroom/one-bathroom units. The building has been comprehensively updated with a contemporary exterior: modern panel siding with bright accent panels, horizontal wood slat cladding, a covered entry with updated doors and signage, and horizontal cedar privacy fencing with landscaped beds along the street. Unit interiors feature vinyl plank flooring, refreshed paint, and modern electric wall heaters. Kitchens include dark wood cabinetry, quartz countertops, tile backsplashes, and stainless steel appliances. Bathrooms have been updated with wood-tone vanities, tile flooring, and tub/shower combinations. The property also offers an on-site laundry room, a paved rear courtyard enclosed by cedar fencing, and three off-street parking spaces.

The Central District has seen significant reinvestment over the past decade, with new mixed-use development, retail, and dining reshaping the neighborhood while its supply of older, smaller-scale rental buildings has steadily declined. Residents enjoy quick access to Capitol Hill, Madison Valley, Downtown Seattle, and First Hill's medical and employment centers, along with strong transit connections throughout the city. For investors, the Crawford House offers a compelling combination of renovated, low-maintenance product, durable renter demand, and long-term appreciation potential in a supply-constrained urban rental market.
